WORK EXPERIENCE

TRT WORLD | Central Asia and APAC Affairs Producer   Istanbul | Feb 2023 - Present

- Produce broadcast-ready content for a 24/7 international news cycle with global audiences in mind
- Manage a diverse network of journalists across Asia, ensuring timely, high-quality coverage that meets TRT World's editorial standards
- Facilitate high-profile interviews with influential political and cultural figures by leveraging regional contacts
- Expand TRT World's presence in Central Asia through strategic partnerships and storytelling

VLAST.KZ | Data Editor   Remote | Oct 2020 - Oct 2021

- Launched and led a data journalism desk, translating complex news into impactful stories through reporting, analytics, and visualizations.
- Advised the General Director on network optimization and editorial planning
- Mentored reporters to spot breaking news opportunities and apply analytical thinking in daily operations
- Managed assignments, fact-checked, and edited content, consistently driving high readership
- Handpicked by the U.S. Department of State to join its prestigious International Visitor Leadership Program—an exclusive honor reserved for top journalists

KLOOP MEDIA | Senior Editor   Bishkek | Nov 2018 – Oct 2021

- Led coverage of presidential elections and high-stakes social issues
- Produced award-winning investigative features, blending data analysis and deep reporting—lauded multiple times by GIJN as "Investigations of the Month"
- Chosen by the U.S. State Department for the 2020 Presidential Election Coverage Tour, underscoring proven expertise
- Exposed critical issues including surveillance, environmental threats, and domestic violence, driving awareness and tangible impact
